

100% QUALITY GUARANTEE

Your complete satisfaction is guaranteed on all AbilityOne brand remanufactured print cartridges. We guarantee that your AbilityOne brand remanufactured cartridge is free from defects in material and workmanship and is 100% compatible for the machine for which it was designed. If you are not satisfied with your AbilityOne product, please contact your point of purchase to resolve any issues you may have. We pledge to resolve your problem quickly and efficiently.

In addition to our guarantee, we will cover any costs required to repair a machine should your AbilityOne product be the sole cause of the damage. In this situation, we ask that you contact your cartridge provider to have your issue resolved quickly as possible. Seller hereby excludes any and all other representations and warranties, expressed or implied and expressly excludes warranties as to the merchantability of these goods or their fitness for any reason. Seller shall not be liable for any incidental or consequential damages. All goods are shipped upon condition that these terms be accepted by Buyer, if not Buyer must promptly return the goods and notify seller in writing. These terms supercede all prior oral and written terms or representations and may be waived or modified only in writing and signed by an officer of seller.
